Hydraulic drilling rig SOILMEC R620LDP

- Year of manufacture 2003
- Working hours 19989
- Machine capacity 60t
- Base machine CAT330C
- Max torque of the rotary 201kNm
- Diesel engine CAT C-9, 261kW
- Kelly drilling kit
- Pull up and down system by cylinder with stroke 5,6m
- Kelly locking type 4x8m max depth 32m
- Max drilling diameter 1800mm

Just feel free to contact us when you realize the Equipment interesting to you
